Catalogue Information

NOTE to State Agencies:

If this Qualified Information Systems Vendor provides consulting services and if the value of the consulting contract is reasonably foreseen to exceed \$15,000.00, please refer to the Texas Government Code, Subtitle F, Chapter 2254.

NOTES to all Eligible Purchasers:

- Only Automated Information System (AIS) products and services may be purchased from this catalogue. Products not eligible for the catalogue purchase procedure must be edited out by the vendor.
- Any telecommunication services that may be included within this catalogue shall only be procured by the General Services Commission.
- Disregard any statement in this catalogue that states that prices and availability may change without notice. This catalogue is required to be kept current by the vendor.
- Disregard any "proprietary, confidential, copyright (C), all rights reserved" statements in this catalogue. Eligible purchasers are allowed to make copies of this catalogue.
- For services and products offered in this catalogue that have only one price, the price shown may be considered both the list price and state price.
- Any terms and conditions in this catalogue that conflict with the Constitution or laws of the state of Texas shall not be enforceable and, therefore, will not be binding.
- All AIS products and services offered in this catalogue conform and comply with all applicable standards adopted by the DIR; and all products conform to all state and federal requirements such as ANSI, FCC, NEMA, OSHA and UL standards.

Vendor Affirmation

By signing the GSC QISV Catalogue Purchasing Program application and submitting this catalogue through the program, the vendor has reviewed TAC 113.19, and agrees to comply with the rules as stated for the QISV program. The vendor will also:

- not give, offer to give, or intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with catalogue purchase transactions;
- not currently be delinquent in the payment of any franchise tax owed the State of Texas under Tax Code, Chapter 171(go to "Certification of Franchise Tax Account Status " for verification) ;
- update their catalogue as needed to reflect changes in price and the availability of products or services offered.

Catalogue Products / Services Information

Maintenance, Repair, Support Plan

SYBOR Solutions Inc. d/b/a SYBOR Technologies Inc. is concerned with you, the customer. We provide contract and consulting services to our clients. If it is the client's desire to enter into a maintenance/support agreement with SYBOR after a project is complete, a separate bid will be submitted for that purpose. We will do our best to meet your needs in product support and service. If you have questions concerning the operation of the equipment you purchased from our company, please contact our Technical Services Line at 281-277-5400 Ext.: 105, and request Chids Chidambaram. Our hours of operation are Monday through Friday, 8:00 a.m. to 5:00 p.m. CST. NOTE: If the product you purchased is under warranty by the manufacturer and is needing servicing, contact us at 281-277-5400 Ext.: 105 and we will give you the information you will need to contact them directly.
